

I believe what Sinclair Broadcasting intends to do with its anti-Kerry documentary is WRONG and a sin against America and a slap at the Constitution. The FCC should take action to stop this anti-democracy fraud by Sinclair now!

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

These people are the richest 1% who continue to lie and cheat to stay on top ... Sinclair's licenses should be revoked and its stations sold if this continues. We (millions) will not buy anything from any advertisers of this sham!
